

8th Grade Textbooks for 2022-23

Parents,

1. You will be sent an email with a link to our Middle School Hub. This is a “one stop shop” for the Middle School. You will find links to everything that you will need for summer work and preparing for next year.
2. There is an online textbook exchange where parents can buy and sell textbooks on the AACCS website. Parents must be logged into the AACCS website in order to post a comment and only the AACCS community will be able to connect with them. New families will receive log-in information in early July. The link will be emailed to parents.
3. Textbooks can be purchased several ways. Please always compare the book ISBN with the ISBN on the textbook list.
 - a. Through the AACCS online textbook exchange.
 - b. Through relationships with other parents.
 - c. Through our supplier, EdTech, for convenience.
 - d. Through other websites like amazon.
 - e. Some books must be purchased only through the publisher. If so, we will make a note on this list.
4. EdTech Software, has created an online store for just the Middle School that will open **June 15**. Most of the textbooks that are required are available in that store. The link will be in the HUB. You will need to use your students school email address in order to purchase. New students will receive their email address in early July.
5. If **Math books are purchased based on math placement**. You will receive this placement in a summer email. Please contact Lynn Litschewski at llitschewski@aacsonlin.org if you did not receive the email by late June.

8th Grade Textbooks for 2022-23

| 9780076773053 | Physical Science | McGraw-Hill Education | 2017 | Available through EdTech |
|---------------|------------------|-----------------------|------|--------------------------|

History:

This class has a classroom set of textbooks. No purchase needed.

Spanish:

Returning students who have completed 7th grade Spanish may take 8th grade Spanish. There is no required book. Students must purchase a 1.5 inch binder.

New students cannot take this class due to the fact that it is a two year course starting in 7th grade, unless they have completed the first half of a Spanish 1 course. If so, please contact the Spanish teacher, Mrs. Teltoe at ateltoe@aacsonline.org to verify that they completed the same course.
