GENERAL INFORMATION

SUMMER PROGRAMS CONTACT

All inquiries can be directed to our Summer Programs Office at 410.519.5300 x3150 or by emailing summer@aacsonline.org. Please visit us at <http://www.aacsonline.org/summerprograms> for more details.

CAMP LOCATIONS

AACs Summer Programs activities are located on two of our school campuses in Anne Arundel County. Our Middle School (MS) is located at 716 Bestgate Road, Annapolis, MD 21401. Our Upper School (US) is located at 109 Burns Crossing Road, Severn, MD 21144.

OUR FAITH

Many of our camps incorporate Christianity into the daily schedule through prayer and teaching in an open and sensitive manner. At no point do we want your child to feel uncomfortable or forced to believe what we discuss.

Eagles Explorations has a scheduled time to share about our faith through the teaching of weekly character traits, the Fruits of the Spirit, as listed on the Summer Programs Schedule on pages 4-5. This will be a leader driven time with games, songs, stories, Biblical teachings, and open discussion. This is a time of fun and fellowship where we want to share about our Lord and Savior, Jesus Christ, and teach valuable life lessons.

When asked which is the greatest commandment in Matthew 22:37-40,

"Jesus replied, 'Love the Lord your God with all your heart and with all your soul and with all your mind.' This is the first and greatest commandment. And the second is like it: 'Love your neighbor as yourself.' All the Law and the Prophets hang on these two commandments" (New International Version).

In 1 Thessalonians 5:16-18, the Apostle Paul wrote to the church in Thessalonica saying, *"Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus"* (New International Version).

These passages will be at the core of our teaching.

GENERAL INFORMATION

REGISTERING IS EASY. HERE'S HOW:

Visit our website at <https://www.aacsonline.org/summerprograms>. **There you may register and pay online or download a paper registration form and mail it in.** Enrollment is limited in most camps, therefore, admission is on a first come, first served basis.

If mailing in the paper registration, please send your completed form with a check payable to **AACs Summer Programs** to the following address:

AACs Summer Programs
109 Burns Crossing Road
Severn, MD 21144

All checks must be completed in blue or black ink.

A non-refundable \$100 deposit, per camper per session, which is credited towards tuition, is due with registration. Full payment is due before your child is permitted to attend camp.

WITHDRAWAL POLICY

All deposits are non-refundable. Further payments may be refunded on a case-by-case basis. However, we do not make exceptions in payment adjustments for the following:

- early dismissal and late arrival;
- voluntary withdrawal from a camp due to non-medical reasons;
- And/or day(s) missed due to periodic/intermittent vacation or illnesses.

EAGLES EXPLORATIONS

PROGRAM DESCRIPTION

Eagles Explorations is a six week summer-long full-day program designed to be a well-rounded and exciting experience. Each week's session begins a different theme (see page 7). That means your child can attend all six sessions and always be challenged in a new and fun way! Blending learning and play, these programs offer a structured balance of activities to bring out your child's creativity, intellect, and athleticism as they enjoy making new friendships!

Activities are taught by experienced teaching professionals and qualified counselors with expertise in working with children. Counselors will guide, teach, nurture and encourage campers in a Christ-like manner. This will assist in developing new interests, improving self-esteem, and in creating a greater respect for others. Whatever exciting activity is happening, campers will meet the challenge with confidence and enthusiasm.

Eagles Explorations is a state-certified day camp and must comply with the Maryland Department of Health and Mental Hygiene regulations. Information on these regulations may be obtained by calling 410.266.8422.

EAGLES EXPLORATIONS SESSIONS ARE \$305 FOR THE WEEK.

As there is NO CAMP on Friday, July 3rd; the 4-day week is only \$245.

THE FOLLOWING DISCOUNTS ONLY APPLY TO EAGLES EXPLORATIONS

The week of July 1: Early Bird, Sibling, and AACCS Student Discounts are only \$20. Active Duty Military Discounts are available with valid proof of identification.

EARLY BIRD DISCOUNT

Register by March 31, 2020 and receive a \$25 early bird discount for each child per week of camp. A \$100 non-refundable deposit, per camper per session, is due with registration. The early bird discount will not be transferred from one week to another if the transfer is made after March 31, 2020.

SIBLING DISCOUNT

For every session that you register more than one child in Eagles Explorations, you will receive \$25 off the second, third, and each additional child. The sibling discount will be applied by the Summer Programs office after you register.

AACCS STUDENT DISCOUNT

All students enrolled at AACCS for the '20-'21 school year will receive a \$25 discount per week. Contact the Summer Programs office for details on how to obtain the discount.

ACTIVE DUTY MILITARY DISCOUNTS

For every session that you register your child in Eagles Explorations, you will receive \$25 off. This amount will be in conjunction with any of the aforementioned discounts. A valid proof of identification must be presented to receive the discount.

PRORATING

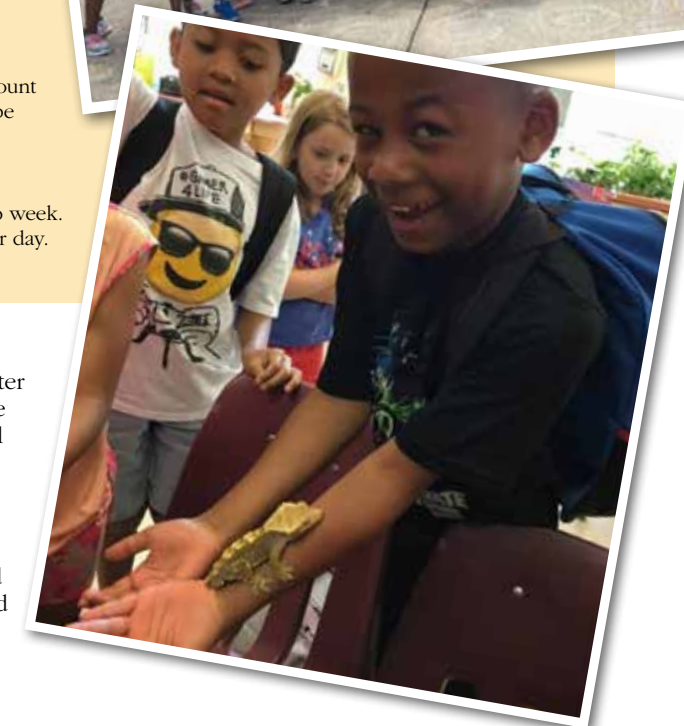

Contact the Summer Programs office if you would like your child to attend only a portion of the camp week. Half day tuition, 9:00am – 12:00pm or 1:00pm – 4:00pm, is \$165 for the week. The daily rate is \$80 per day. These rates will only be applied if arrangements have been made prior to the start of camp.

SWIMMING

Once a week, the Eagles Explorations group travels to the Severna Park Community Center at 623 Baltimore Annapolis Blvd. Severna Park, MD 21146 to swim. Since the facilities are indoors, it's always fun—rain or shine. **NOTE:** Children in the Discoverers age group will remain at AACCS to participate in a water day program on campus.

FRIDAY CELEBRATIONS

To wrap up camp every Friday, we welcome all family and friends to experience what the campers have been talking about all week. Slideshows, video productions and award programs are presented at 3:00 pm in the Kerr Center for the Arts auditorium. Videos and slideshows will be posted to our Facebook page for everyone to check out! Like us on Facebook at **Eagles Explorations** and on Instagram at **Eagles_Explorations**!

EAGLES EXPLORATIONS WEEKLY THEMES

Each week's session begins a different theme which will keep campers entertained and excited! Every Friday, we host an end-of-session activity which will be challenging and fun! We incorporate theme-related projects, as well as daily counselor skits and contests, to build up to this activity and it always brings lots of laughs. This year we have a few new themes that will bring a different twist on summer camp fun!

DATE	THEME*	SPECIAL EVENTS
June 15 – June 19 Character Trait: Love	Wet and Wild	Water play and Wacky days this week! Each day will consist of crazy fun water games on the beautiful athletic fields, so a bathing suit and a change of clothes will be needed each day. Not a fan of getting wet? No need to worry, hanging out and soaking up the sun is always a fun alternative. Friday Field Day will be a wet and wild afternoon. Love and happiness everywhere!! <i>(Chapel and Bible Theme Topic: Walking on Water)</i>
June 22 – June 26 Character Trait: Joy and Peace	Jumanji	Welcome to the Jungle! This week's camp will be a real jungle adventure! Don't miss out on a chance to explore the jungle and have your own adventure with Eagles Explorations as we seek to beat the game! <i>(Chapel and Bible Theme Topic: (The Exodus)</i>
June 29 – July 2 (no camp Friday) Character Trait: Patience	Christmas in July	Who said that Christmas can only come once a year? Join us for a week of wintry activities in the heat of the summer! Together, we will have snowball fights and create a Winter Wonderland. You'll be feeling the Christmas spirit in summer! <i>(Chapel and Bible Theme Topic: Three Kings)</i>
July 6 – July 10 Character Trait: Kindness & Goodness	Play with a Purpose	You will not want to miss out on this week as we continue the spirit of unity created during the Olympic Games. We will partner with Food Link of Maryland to feed our community. Also, this week Eagles Explorations will be donating a portion of the proceeds from every registration to the Salvation Army Glen Burnie Boys & Girls Club https://bgcccentralmaryland.org/ ! The Friday Field Day will consist of campers working together to decorate and pack food boxes, a Dance & Play Party with DJ Bunny, and our Eagles Explorations Epic Talent Show! <i>(Chapel and Bible Theme Topic: Attitude of Gratitude)</i>
July 13 – July 17 Character Trait: Faithfulness	Olympics	Campers will join in on the excitement surrounding the 2020 Olympics in Tokyo, Japan! Campers can come dressed as their favorite athlete, country and/or sport as we honor the Olympics and fair play through various games and activities. Friday Field day will be a mix of exciting, creative Olympic game style challenges! Campers will learn about different countries around the world. Art projects will be completed to promote respect for those countries in their pursuit of Olympic gold! <i>(Chapel and Bible Theme Topic: Run Your Race)</i>
July 20 – July 24 Character Trait: Gentleness & Self-Control	Carnival	Fun carnival activities during the week will prepare campers for an action-packed afternoon of carnival games, stations, candy, and craziness. The last day of this camp is done right, as we end Eagles Explorations with a bang! Families are welcome to come and attend the carnival in the indoor turf arena beginning at 1:00pm. <i>(Chapel and Bible Theme Topic: Carry Your Cross)</i>

“My boys LOVED this past week at camp, and I'm not even sure I can narrow down what they loved “most!” They really loved that there were so many scheduled activities with little downtime; they loved the water activities and I think my older son loved the video creation activity the best. They also think their camp counselors are so nice. And they loved the ‘camper of the week’ awards. I personally am so impressed by the creativity of the camp activities, the enthusiasm and friendliness of the entire staff, and the counselors that greet the kids at drop-off and walk the kids to the cars at pick-up - really such a reassuring and caring process.

“Thank you for all the hard work you are doing. It is a good work!! The seeds that your staff is planting in these kids will have a long-term impact on their lives.

“It's the most organized and fun camp for kids. All the helpers and leaders are amazing.

ABOUT YOUR EAGLES EXPLORATIONS GROUPS

Y our child will automatically be placed into one of the following groups based on age. Throughout the day, the groups will stay together as they enjoy all the fun and excitement offered at their level..

- Discoverers (ages 3 ½ to 5)
- Flyers (ages 6 to 7)
- Voyagers (ages 8 to 9)
- Pioneers (ages 10 to 11)
- Trailblazers (ages 12 to 13)
- **CIT (ages 14 to 16)

****NEW CIT REQUIREMENTS.** Must be at least a RISING SOPHOMORE in order to apply for a chance to be selected for the CIT program. All CIT candidates must fill out an application and must be interviewed by the CIT Coordinator BEFORE they can be accepted into the program. This includes previous CIT's as well.

DISCOVERERS

Discoverers are guided in a safe and nurturing environment while participating in a mix of fun and exciting activities. This group is a structured program designed to give young campers a taste of what our older camper's experience. Activities include storytime, playground fun, physical education, arts and crafts, science, game room, water games, toy time, Bible, theme, and video.

FLYERS

Flyers are challenged each day with a balanced mix of active learning and play under the leadership of an experienced team of teachers and counselors. Activities include storytime, playground fun, physical education, game room, science, arts and crafts, drama and improv, Bible, video, theme, nature walks, and water games.

VOYAGERS

Voyagers are the “on the move” campers. Campers will be engaged in various activities throughout the day under the leadership of enthusiastic counselors. Activities include physical education, game room, science, arts and crafts, drama and improv, Bible, video production, photography, theme, nature walks, and water games.

PIONEERS AND TRAILBLAZERS

Campers will be engaged in various activities throughout the day under the leadership of enthusiastic counselors. These groups are “on the move” including all the activities of the Voyagers as well as being challenged with Adobe Photoshop and archery.

“My kids attended a different summer program last year that was such a disappointment we finally just stopped going. As a result, we were a little anxious about the whole summer camp idea this year. Thankfully, the Eagles Explorations program far exceeded our expectations! A huge “thank you” to the staff and volunteers who made this such a nice experience for our family!!!”

COUNSELORS-IN-TRAINING (CIT)

The CIT program is designed for teens interested in working with children and developing leadership skills as an intern while gaining work-oriented experience. This program provides a CIT the opportunity to train under experienced staff while assisting in the day-to-day operations of the camp. CIT's will meet daily with the CIT Coordinator for planning, team-building exercises, and leadership training sessions. Time will also be spent observing and assisting counselors as they lead campers. As the program develops, CIT's will have opportunities leading campers with their own games. At the end of the week, CIT's will be given a written performance evaluation that can be used as a work-related reference. **Serious inquiries only.** CIT's will sign up by the week, for \$150, which includes lunch each day and Wednesday field trip costs. Additional fees are applied for Transportation and Extended Care Services. (See page 3 for schedule and fees.)

Note: If accepted back into the program, CIT's who have already completed 6 weeks with a minimum score of 360 out of 450 on their evaluation report from the CIT Coordinator should contact the Summer Programs Office for the opportunity to receive free admission or inquire about possible employment opportunities, if applicable.

EAGLES EXPLORATIONS ACTIVITY DESCRIPTIONS

PHYSICAL EDUCATION

Campers will learn and play one sport per week as they are engulfed in the joys of athletics and competition while gaining the benefits of physical activity. Basketball week 1, team handball week 2, soccer week 3, team handball week 4, basketball week 5, and baseball/kickball week 6.

ARTS AND CRAFTS

Each week will focus on new projects, many of which will relate to the theme of the week, including painting and drawing, sculpting with paper mache, jewelry/accessory making, art around the world, and other projects to bring out a camper's inner creativity.

SCIENCE

Each week campers will conduct fun experiments and hands-on projects as they explore science in a variety of ways.

DRAMA AND IMPROV

Whose Line Is It Anyway meets Eagles Explorations in this fun time of creativity and laughter as campers play a variety of drama and improv games.

BIBLE

This class will focus on our weekly character traits, the Fruit of the Spirit, as listed on the Summer Programs Schedule on pages 4-5. This will be a leader driven time with games, songs, stories, Biblical teachings, and open discussions. This is a time of fun and fellowship where we want to share about our Lord and Savior, Jesus Christ, and teach valuable life lessons. At no point do we want your child to feel uncomfortable or forced to believe what we discuss.

CHAPEL

Once a week, campers will gather together for chapel, where a speaker will share a Fruit of the Spirit character based message and how applying these principles to your life will help build a stronger community. During this time, campers will also break up into mini groups and go through a series of discussion questions designed to strengthen relationships as each child is given a chance to speak in a loving environment.

THEME

Dedicated to the theme of the week, campers will prepare for the Friday field day through games, projects, and activities!

GAME TIME

Campers will engage in various types of challenges and activities that will be used to enhance social relations and define roles within a team. Groups will problem solve and play group games against themselves and other groups within the camp. Counselors will supervise and maintain positive interaction amongst peers when competing so that campers will understand how to have the right attitude whether they win or lose a game. NEW this year will be our portable GA-GA Ball Pit to add to the excitement!

PHOTOGRAPHY

Campers will take pictures and learn about aspects specific to photography such as lighting and angles. Photographs from this group are always presented to the entire camp during the end-of-the-week slideshow.

VIDEO PRODUCTION

Campers will develop, choreograph and produce a music video, camp newscast, or another creative production. From start to finish, campers will star in these mini productions which are shown at the end-of-the-week celebration.

WATER GAMES

Each week campers will participate in games, races and relays involving water to cool down in the summer heat. Sprinklers, slip and slide, water balloons and other creative activities are all part of the fun.

PHOTOSHOP

Pioneers and Trailblazers will have time in the computer lab learning about Adobe Photoshop as they work with their own photos and images to design individual masterpieces.

ARCHERY/TARGET GAMES

Pioneers and Trailblazers will learn the basics of archery and will participate in fun challenges and end-of-the-week tournaments. For our younger campers, they will be able to challenge themselves and learn fun target games and challenging activities to develop the younger archer in them.

It's a great active camp with a variety of activities for the kids to enjoy. And that their kids will come home TIRED every night.

ACADEMIC CAMPS

MAD SCIENTIST

Director: AACs Teacher Jake Palumbo
Dates: June 8 – June 12
Time: 9:00am – 12:00pm
Gender/Grade: Boys and Girls ages 8 to 12
Location: Sulin Hall, Upper School
Cost: \$205

This camp is designed to not only teach science, but to provide students the opportunity to DO science. We will explore different science topics throughout the week. Each day is filled with exciting demonstrations and hands-on experiments that will help students better understand the science behind how the world works. We will discover how to make ice cream, what makes a light stick glow, and why a roller coaster doesn't fall in the middle of a loop. Students will also have the opportunity to take home several great demonstrations.

MAD SCIENTIST RETURNS!

Director: AACs Teacher Jake Palumbo
Dates: June 29 – July 2 (No Camp Friday July 3)
Time: 9:00am – 12:00pm* (Join Eagles Explorations from 12:00pm-4:00pm for an additional \$105)
Gender/Grade: Boys and Girls ages 8 to 12
Location: Sulin Hall, Upper School
Cost: \$165

This hands-on camp will explore all-new experiments and demonstrations! Campers will get to discover the physics behind Angry Birds put into life-size action. We will explore the amazing biology of our own bodies as we look at various systems & how they work. We will do some investigative work as we check out the health of the stream on campus. Together we will explore the chemistry of some of our favorite foods and why they taste so good. Along the way, we will learn a lot, get our hands dirty and get to see up close and personal how the amazing world around us works!

About the Director: For the past 15 years, Jake Palumbo has taught science to students of all ages. He received his Bachelor's Degree in Biology from the University of Richmond and his Master's in Education from Covenant College. He currently teaches Chemistry at the AACs Upper School and has also taught Biology, Physics, and Physical Science.

EAGLES STEM

Director: AACs Teacher Madelyn Smith
Dates: June 15 – June 19
Time: 9:00am – 12:00pm* (Join Eagles Explorations from 12:00pm-4:00pm for an additional \$140)
Gender/Age: Boys and Girls ages 8 to 12
Location: Kilby Center, Upper School
Cost: \$205***

This hands-on STEM camp will creatively cover all aspects of STEM through daily activities in areas such as electricity, flight, space and physics. As campers work through different STEM activities each day, they will also work on their very own rocket, which they may launch at the end of the week!

About the Director: Madelyn Smith currently teaches Engineering & Technology at the AACs Upper School campus. She received her Bachelor of Science degree from Tuskegee University. Prior to teaching, she worked in the Automotive Industry at Toyota and General Motors in interior, safety, and concept vehicles. She was the lead engineer for Corvette seats. She has developed and implemented many STEM activities. Most recently she piloted the AACs Severn Lower School STEM Day which was led by the upper-level engineering students. They have expanded to include the AACs Annapolis Lower School students. Mrs. Smith looks for every opportunity to expose students to STEM!

"Wonderful camp, [my child] comes home each day full of stories and excitement for the next day. Thank you for all you do!"

Parent of a 8 year old.

EAGLES CODING: LEVEL 1

Director: AACs Coach Josh Danza
Dates: June 15 – June 19
July 6 – July 10
Time: 9:00am - 4:00pm*
Gender/Age: Boys & Girls, Ages 10-16
Location: Kilby Center, Upper School
Cost: \$320

This beginner-level camp is designed for kids with little to no programming experience and will use Scratch, Tynker, and Python. Campers will start with the basics and explore the essential building blocks behind object-oriented programming through creating fun, interactive stories, and simple games. Campers will create animated stories and games, learn programming concepts in 3 different languages (Scratch, Tynker, and Python) while developing a foundation of computational thinking—an essential skill in today's tech-driven world. We break up the day with supervised outside play, sports, and activities. Kids think creatively and learn how to program their own stories, games, and animations, as well as how to share their creations on the web. Take home a copy of your own game at the end of this class!

EAGLES CODING: LEVEL 2

Director: AACs Coach Josh Danza
Dates: July 27 – July 31
Time: 9:00am - 4:00pm*
Gender/Grade: Boys & Girls, Ages 10-16
Location: Kilby Center, Upper School
Cost: \$320

This intermediate-level camp is a continuation of Eagles Coding: Level 1. Campers will continue learning the basics of computer programming, game design, and explore the essential building blocks behind object-oriented programming through creating fun, interactive stories, and simple games. Campers will create animated stories and games, learn programming concepts in 3 different languages (Java, Python, and Scratch) while developing a foundation of computational thinking—an essential skill in today's tech-driven world. We break up the day with supervised outside play, sports, and activities. Kids think creatively and learn how to program their own stories, games, and animations, as well as how to share their creations on the web. Take home a copy of your own game at the end of this class!

About the Director: Josh Danza is an Oracle Certified Java Programmer and PostgreSQL Certified Database Administrator who teaches at Archbishop Spalding High School. Josh has a Bachelor's in Information Systems & Technology Management and has 7 years of programming experience with Java, C#, Python, Visual Basic, and Javascript.

About Club SciKidz: Club SciKidz was founded on the principle that parents want to provide their children with exciting, challenging, and life impacting academic enrichment experiences. The company is committed to demonstrating how science works in the real world by providing activities in veterinary medicine, robotics, forensics, video game creation, food science, paleontology, engineering, chemistry and biology, astronomy, oceanography, emergency medicine and special effects.

Our unique science programs are designed to meet the needs of children ages 4-15. Carefully researched science lessons help engage students in observation, measurement, identification of properties, and experimentation involving life, earth, and physical science concepts. The units are rigorously researched by science educators with the help of teachers and children. The results are lessons that students enjoy and genuinely learn from.

STEMQUEST: FORTNITE BATTLE SQUADS

Director: Drobots Staff
Dates: July 6 – July 10
Time: 9:00am – 4:00pm*
Gender/Age: Boys and Girls rising ages 8 to 10
Location: Sulin Hall, Upper School
Cost: \$360

StemQuest Fortnite extracts the thrills from the video screen and delivers the gaming experience directly into a live setting (without the video screen!). Fortnite has opened up a whole new world of fun for kids and video game enthusiasts, but now it is time to bring that excitement into the physical world of STEM. The Fortnite Island presents campers with a variety of head-to-head challenges where campers will learn to use sophisticated rolling bots, mini foam ball launchers, and jumping drones to simulate the video game battles. Each "Squad" is comprised of a team of campers who work together to establish and defend their "Base" against the other Squads of campers but beware of the shrinking storm, the Volcano, and Viking Village. The ultimate goal is to earn points, gather resources, and explore new maps and terrains. Code your rolling bot to land on a portal and teleport around the block strategically to catch rival Squads off guard and establish alliances in order to bring the Counselor, Giant Mech to its knees.

STEMQUEST: STAR WARS: EMPIRE VS REBELLION

Director: Drobots
Dates: July 20 – July 24
Time: 9:00am – 4:00pm*
Gender/Age: Boys and Girls rising ages 8 to 10
Location: Sulin Hall, Upper School
Cost: \$360

StemQuest: Empire vs. Rebellion brings the galaxy from far far away, to much much closer to camp. Using custom-built, podracers, foam ball blasters, and rolling droid drones), campers will split into two separate groups and participate either as a member of the controlling Empire or of the elite Rebellion strike force. Teams work together in hands-on

building activities to prepare for the multiple battles that occur throughout the week - all in a friendly competitive environment. Build your own TIE Fighters, Starships, and more. Create and design self-made defenses to protect home base from the opposition. The ultimate daily and weekly goal is for campers to use both their minds and their hands to eliminate the opposing team's holdout positions through strategy and collaborative planning. At last, it is time to bring justice to the galaxy. May the StemQuest force be with you!

About Drobots Company

Drobots Company was originally founded by a small group of parents, educators, visionaries and do-it-yourself engineers. The mission was and still is to inspire students to reduce time in front of a computer screen and instead utilize drone technology in a setting that promotes collaborative project-based learning in a positive educational environment. Hence, the company trademark slogan, **Where Technology Meets Fresh Air™**.

The primary goal of any Drobots Company program is to mentor participants on how to become lifelong learners and instill a strong sense of curiosity, confidence and teamwork. Due to the exponential growth of the drone industry, kids and teens may now explore, learn and evolve along with the applications of today and the discoveries of tomorrow. Drobots fosters this new technological landscape with a unique curriculum and well-trained positively motivated instructors.

At Drobots we create flexible experiences that shift students between the excitement and hands-on activities of our indoor activities and the freedom and exploration of the outdoors. Participants utilize imagination, hand-eye coordination and STEM applications to conquer challenges and missions - all in a team-oriented environment. Under the umbrella of a friendly competitive and gamified teaching and learning methodology, participants collaborate in a team setting to deconstruct challenges and then solve them.

The core foundation of our company and the programming we work diligently to develop is built upon creativity, exploration, technology and fun. Our commitment and passion is derived from the unlimited positive applications of innovative technology. Throughout all of our kids camps and teen programs students thrive under the supervision of an adult-led staff committed to the development of the individual and team.

Safety is our #1 priority and our rigorous hiring standards attract the best instructors in the country. At Drobots Company we understand that instructors with years of experience working with kids and teens is the key difference between a good experience and a GREAT experience. Our family of instructors embodies the passion and creativity that we strive to inspire in every participant.

The Eagle's Girls' Basketball Camp emphasizes individual skill development, team concepts, sportsmanship and self-confidence throughout the week. Girls will receive quality instruction in all phases of the game in a positive and fun atmosphere. Beginners and established players will benefit from attending Eagles Girls' Basketball. Campers will be grouped according to age, size, and playing experience.

A leadership development component will be incorporated into the daily schedule. The focus of this component will be on how to develop confidence to be a leader on your team, in your school and in the community. Activities will help campers identify their leadership style, give them a better understanding of the different roles they will potentially have as a leader and how to better communicate with teammates, coaches and the adults in their lives.

About the Director: Coach Leach began his girls' basketball coaching career in 1995 with Fort Meade Youth Services and advanced in 1999 leading a 13U County MYBA to their first organizational championship. As the President and co-founder

*Extended Day option available: see page 3

of an AAU program, Coach Leach then orchestrated his leadership to champion 3 consecutive State Titles and 4 National rankings with 2 separate girls' teams (9U & 10U). The first state title was historic as AAU introduced 9U Nationally and Coach Leach won the first-ever State Title at this age group receiving the Governor's award. Coach Leach served as a girls' Varsity Assistant Coach at AACs for the past three seasons, as well as girls' Head JV Coach for the past two seasons. Before coming to AACs Coach Leach served as the Head Coach of the Girls Varsity Basketball team at Meade High School from 2011-15. His coaching philosophy is to encourage, empower and develop athletes to perform at their highest potential with integrity, good character, teamwork, and a positive attitude.

Early Registration deadline May 31: \$100 (\$25 AACS Student Discount)

Late Registration starts June 1: \$190

In partnership with Fellowship of Christian Athletes and RISE Enterprises come and test your mantle at our Pro and Strongman style combine. Athletes will be taught how to do a variety of total body strength tests such as tire flips, farmer carries, atlas stone, sandbag lifts and more! This style of training develops not only pure strength but mental toughness! You name it, we pick it up, put it down, flip it, hold it, squat it, push it, pull it, press it, and move it from point A to point B. Furthermore, we will provide a venue that evaluates and educates athletes on a 3 Dimensional level (spirit, mind, and body), the recruiting process, and athletic combine test preparation.

- **40-yard dash**
- **Pro agility shuttle run**
- **Kneeling Med Ball Toss**
- **Vertical Jump**
- **Standing Broad Jump**

The final challenge will be to complete the Strong Athlete Iron Eagle Strength Endurance Challenge. At the conclusion of the camp, the athletes' data will be stored in our PLT4M Digital Training & Software program where they can see how they compare on certain tests statewide and on the national level on our Leaderboard. Our contact list of coaches can receive this information upon request. With a "Kingdom Building" mindset, this camp will surely inspire young athletes to pursue greatness on the field, in the classroom, and in their community for something GREATER than self.

About the Directors: Coach Cedrick "Coach Ced" Dickens is the AACS Summer Programs Director and works with students and athletes as a strength and conditioning coach in the weight room during the school year. He has served as a volunteer coach with Fellowship of Christian Athletes

(FCA) for more than 10 years. Cedrick has an MA in Christian Leadership and a BS in Exercise Physiology. He has taught in multiple school districts and as a college/university adjunct professor in Sports Management. Cedrick has coached athletes from the recreational level to collegiate level. He is a certified Physical Education teacher in the State of Maryland and certified Strength and Conditioning Specialist through the National Strength and Conditioning Association (NSCA). Cedrick is a husband and father of three children and brings over 15 years of experience in teaching, coaching and ministering to youth. His passion is helping the next generation "bridge the gap" between faith and life.

Coach Marcus Bell is the founder and owner of RISE Enterprises LLC, an organization that focuses specific attention into the character and professional development of the youth. Marcus has a degree in Sports Management from the University of Michigan. He has experience working in the sports arena at all levels including internships with the University of Michigan athletics and the Detroit Lions. Marcus is a husband and father of four children. Marcus aims to use his gifts and talents to help others push beyond perceived limitations and pursue their own destinies.

The AACS Middle School location offers air-conditioned rooms, including a gymnasium, classrooms, and computer lab. Fields and a playground are also available outdoors.

The AACS Upper School location provides state-of-the-art buildings on 62-acres of property. Facilities at the Upper School include air-conditioned classrooms, an art room, computer labs, and a 715-seat theater in the Kerr Center for the Arts.

AACS Summer Programs at the Upper School provides an 82,000 square foot athletic center, known as the Kilby Athletic Center, for many of the program's athletic and recreational sessions. The Kilby Athletic Center contains three regulation basketball courts, a fully equipped weight room, a 2500 square foot wrestling room, a 275 seat dining hall/concession area, computer and robotics labs, and meeting rooms. The Kilby Athletic Center also contains a 22,500 square foot multipurpose indoor artificial turf arena used for soccer, lacrosse, field hockey, baseball, softball, football, and much more. Adjacent to the Kilby Athletic Center, there are two AACS athletic fields, a sand volleyball/soccer courts, and a tennis complex. Many of our facilities are available for rent by community groups during non-school and camp hours. Contact AACS at 410.519.5300 x3150 for more information on fee structures and space and time availability for the Kilby Athletic Center and associated fields.
